

# GFMS Lockers

## Smart Storage

Our sturdy, custom-built GFMS lockers and cabinets can be modified any number of ways to accommodate the high-security asset storage demands of the entire facility.

Firearms, medical equipment, shop tools, laptops, etc. – our locker and cabinet solutions are in place around the world controlling local and distributed access to a range of high-value workplace assets of all shapes and sizes.

Locker arrangements can be designed as stand alone units or can be setup to work in conjunction with a Security Asset Manager.
